Making the most of online pledging

1. E-mail! E-mail! E-mail! Research shows that you will be more successful if you e-mail people three times. Click on e-mail tab; type message, send an e-mail to yourself, and then forward it to you family, friends, and colleagues. Add a picture of yourself to your page so people know it is really you fundraising.
2. Update your status on Facebook or tweet to your Twitter followers and ask them to sponsor you. Post multiple times to be truly successful.
3. Add the link to your online pledging page to your e-mail signature.
